

NCFL FALL MEETING

via TWITTER

September 2018 in Milwaukee

Steve Sexton is presenting information about [#NCFL2019](#) . Competition sites for speech will be at Marquette University on Saturday and Sunday, as well as PF and LD Sunday. MATC will host debate on Saturday. Hyatt will host Congress both days. Policy on Sunday at the Hilton.

The service project for [#NCFL2019](#) will be Pathfinders Milwaukee ( [.pathfindersmke.org](#) ). More information will be forthcoming, including a list of needed supplies schools could bring with them to the Grand National Tournament to donate.

Coaches & moderators will be needed for debate topic selection committees & Extemp topic areas can be submitted prior to January 10th. Info on how to (self) nominate for a debate committee or to submit topic areas (and later questions) for Extemp are at [\\_ncfl.org](#)

A motion to remove the words, "Only the performers' feet may touch the ground" and replace with wording indicating judges' preference if performers use a stance other than standing **passes for all speech events EXCEPT Oral Interp.**

An amendment to allow internet connectivity in debate and Congress rounds, with the exception that communication with a coach, judge or competitor outside the competition room is not allowed, **passed on a voice vote.**

Discussion items are now being considered. These includes judge qualifications at the Grand National Tournament, the possibility of audio enhancements in some final rounds and the Milwaukee service project.

Many thanks to Steve Sexton and the Milwaukee group for the work they are doing to get everything ready for NCFL Nationals in 2019. We are confident that this tournament will be an amazing experience for all competitors, coaches, and judges.

This is the power point presentation that Steve presented at the NCFL Fall Moderators' meeting. We are posting it here and will mirror it on the NCFLNationals website as we get closer to the tournament.
