From the South via I-75:

- Follow same interstate directions above, but turn left onto Bee Ridge.

Directions to Check-in:

- When you go through the iron gate, turn to right and go straight back to Building 6. The cafeteria is on the first floor.
- The judges' room will be in the Media Center, which is on the second floor of the same building. When you walk into the cafeteria, go to the left and you will see a staircase. Once you have gone up the staircase, turn right and the Media Center will be straight ahead.
- If you need access to an elevator, instead of going through the cafeteria, go in the door of Building 5 (the 3 story building) closest to the cafeteria and you will see an elevator on the left-hand side right past the water fountain. When you exit the elevator on the second floor, go to the right and you will see a door on the left-hand side that leads straight ahead to the Media Center.

Bathrooms:

The bathrooms on all three floors of the **north side** of **Building 5** (the side next to the cafeteria and Media Center) will be open throughout the tournament.
