FGCCFL GRAND FINALS

Topic: Resolved: The United States federal government should substantially increase its security cooperation with the North Atlantic Treaty Organization in one or more of the following areas: artificial intelligence, biotechnology, cybersecurity.

INSTRUCTIONS

Please score each debater on a point scale from 0 to 30. Half points are permitted. Scores below 25 should be given only for offensive or rude performances and must be justified on the ballot. Additionally, please rank each debater in the round from 1-4. There can be NO ties in points or ranks, and points and ranks must coincide.

We are all influenced by implicit bias, or the stereotypes that unconsciously affect our decisions. When judging, our implicit biases negatively impact students who are traditionally marginalized and disenfranchised. Before writing comments or making a decision, please take a moment to reflect on any biases that may impact your decision-making process.
