STUDENT CONGRESS

MANUAL

Legislation templates, tournament materials, and updates to this manual will be posted to the FGCCFL website. Please check regularly! <https://www.fgccfl.net/>

§ 1 About This Manual

The *FGCCFL Student Congress Manual* is an adaptation of the *NCFL Student Congress Manual* to meet the needs of local competition. **Always consult this manual first.** If a question is not addressed by this manual, consult the *NCFL Student Congress Manual*, then *Robert's Rules of Order, Newly Revised*.

The Executive Committee and the Tournament Coordinator shall have the authority to issue any rule interpretations or modifications they deem necessary to ensure a fair and efficient tournament.

Conduct and Decorum

§ 2 Standards for Legislators

(a) Legislators shall maintain a level of decorum befitting Members of Congress on the floor of the House or Senate and shall treat ALL participants with dignity and respect. At minimum, this means abiding by the *FGCCFL Tournament Code of Conduct* and *NSDA Code of Honor*, which are incorporated herein by reference.

(b) Legislators shall remain silent when others have the floor, except for interruptions permitted by the rules of procedure (only in urgent circumstances). Contestants **may** pass notes and materials quietly and discreetly, subject to review by the Parliamentarian.

(c) Speakers' remarks shall be directed to the chamber. Legislators shall refer to one another as "Representative (Senator) [last name]" or as "Mr./Ms./Mx. [last name]." The Presiding Officer is referred to (and refers to herself¹) as "the Chair" and should be addressed as "Madam/Mr./Mx. Speaker (President)."

(d) Legislators **must** attend all sessions in their assigned chambers, except for **brief** excursions (on a *point of personal privilege*) in cases of dire need. The chamber **may not** suspend the rules to permit free exit and entry ("open chambers").

(e) Under no circumstances may legislators argue with the Presiding Officer. The appropriate means of challenging the PO's decision is a *point of order* (and an *appeal* if necessary).

(f) Legislators **may not** address or confer with the officials before, during, or after the session. Questions about parliamentary procedure are to be brought to the Presiding Officer on a *point of order* or a *parliamentary inquiry*. Concerns about rules or judging should be brought to coaches, who will decide whether to raise the issue with League staff.

§ 3 The Presiding Officer (PO)

(a) A new Presiding Officer shall be elected at the start of each session. Nominations shall be taken from the floor and may be declined; legislators may not self-nominate. Once the floor has been closed to nominations, each candidate may give a statement (not to exceed 30 seconds) of her qualifications.

¹ For consistency, this manual uses *she/her* pronouns to refer to Presiding Officers and PO candidates, *he/him* to refer to other legislators, and *they/them* to refer to officials. All pronouns should be construed inclusively.

The vote is taken by secret ballot; the sitting PO, including a Temporary PO, is entitled to vote. The votes shall be opened and counted either by the Parliamentarian or by two legislators not in the running.

A **simple majority** (more than half the votes cast) is required to elect a Presiding Officer. If no candidate has a simple majority, the candidate receiving the fewest votes is eliminated and a runoff is held among the surviving candidates. However, if the two lowest-ranked candidates have fewer votes *combined* than the candidate immediately ahead of them, both trailing candidates shall be eliminated. (If two candidates are tied for last place, a runoff is held between them to eliminate one of them before the runoff among the survivors.)

(b) The PO is expected to be *scrupulously fair* while presiding. She **must not** enter into debate and **may not** relinquish the Chair to speak during the session. Legislators **may not** confer privately with the PO or move to “approach the Chair,” except to present an amendment. A Presiding Officer may serve in only one session unless there are no candidates who have not yet served.

(c) The PO has a duty to keep debate moving. To that end, she **must** rule dilatory and frivolous motions **out of order**, she **must** deny attempts to monopolize the floor, and she **must** deny repeated or excessive requests to exit the chamber. These rulings are subject to appeal, but such appeals may be rejected by the Parliamentarian.

(d) The PO **may and should** advise the chamber on matters of procedure not related to the substance of legislation, and she may suggest (“entertain”) motions that will advance business or achieve the chamber’s apparent goals. However, the PO **must not** undertake, permit, or solicit actions prohibited by the rules, nor may she substitute her own strategies for the ordinary use of parliamentary procedure. *A PO who willfully disregards the rules may be disqualified from the tournament.*

(e) The PO is expected to stand while speaking unless doing so be impossible or impracticable.

§ 4 Evidence

(a) All evidence should be marked with a complete MLA or APA bibliographic citation (including URI, DOI, or database information where applicable). If cards are used, the original source should be available in the round, and the card should include appropriate context for the claim.

(b) Legislators must make evidence available for review at the judges’ request upon a claim of falsification or misrepresentation.

(c) Penalties for falsification or misrepresentation of evidence, or for false or unsubstantiated claims of the same, are at the judges’ discretion (up to and including forfeiture of points and nominations in the round), will not be disclosed (except on the ballot), and are not subject to appeal.

§ 5 Electronic Devices

(a) The FGCCFL Policy on Electronic Devices is incorporated herein by reference.

(b) The use of tablets and laptop computers during the session is permitted for purposes of notetaking, evidence retrieval, and timekeeping only. Cell phone use by students is prohibited, except for a hotspot configured and put away before the session. **Presiding Officers MAY NOT use their phones to time.** The officials **MAY NOT** waive this rule.

(c) Devices must be run on battery during sessions and must be silenced. There is no guarantee that contestants will have access to AC power or to the internet.

- (d) Internet or other connectivity (via school network or hotspot) is permitted during sessions and recesses, but communication with any person outside the chamber is **prohibited**. Recording of any kind is **prohibited**. *Violation of this rule may result in disqualification from the tournament.*
- (e) Legislators may use permitted devices while speaking or presiding, but not as visual aids. Judges may consider the impact of a device on the legislator's presence and delivery when awarding points and/or making nominations.
- (f) The Parliamentarian may require a legislator to cease use of his devices if he uses them in a manner that disrupts the session or that is not authorized by the rules. (This is a less restrictive alternative to the ordinary penalty of forfeiture or disqualification.)
- (g) Rules governing electronic devices are in effect while the Congress is in session or in recess, even if legislators are out of the chamber.

Parliamentary Procedure

§ 6 General Rules of Floor Debate

- (a) There is no fixed debate time limit, but the chamber is expected to consider all bills and resolutions (B/R) with a sponsor present from the submitting school. Hence, the chamber should judiciously use motions to order the previous question, to table, to postpone, and/or to limit debate. *No one is entitled to a speech on a particular bill or resolution (B/R) other than the sponsor.*
- (b) A legislator who wishes to speak on a B/R must wait until the PO calls for speakers before rising² to seek recognition for a speech. Once recognized, he may proceed to the rostrum (or other place for speakers) and state his name and code for the judges.
- (c) Legislators shall seek the floor only to oppose the views of the previous speaker so that debate alternates pro and con. However, if no one seeks to oppose the previous speaker, the opportunity is forfeited, and the PO recognizes another speaker on the same side.
- (d) Speeches are a maximum of 3 minutes. Speakers **may not** reserve any part of their time, yield their time to another speaker, or yield to questions during speaking time.
- (e) **Gaveling procedures.** The PO shall time all speeches and provide time signals by gaveling (once at **2 minutes**, twice at **2½ minutes**). At **3 minutes**, the PO shall rise, allow the speaker to complete his sentence, then **gavel down the speaker** and ask him to relinquish the floor. *There is no grace period or "warning tap"; speakers are urged to use the 2½ minute signal as their cue to conclude.* The PO shall announce the time used by the speaker before calling for questioners.
- (f) A speaker who is **out of order** (wrong topic, wrong side, breach of decorum) shall be gavelled down once the PO determines that the speaker is in the wrong. Members who believe that a speaker is **out of order** may interrupt the speech to rise to a *point of order*.

² A raised hand for recognition may be permitted by a suspension of the rules, or automatically if **any** legislator is unable to stand with ease for whatever reason.

(g) Legislators are not prohibited *by rule* from speaking on both sides of the same B/R. However, to do so is discouraged, and the judges may take any apparent inconsistencies or lack of decorum into account in their scoring/ranking.

(h) If there are no speakers on either side, the PO should ask if the chamber is “ready for the question”; if no one then seeks the floor, she may take a passage vote on the B/R.

§ 7 Authorship and Sponsorship

(a) The author of the B/R, as published on the docket, shall have the opportunity to deliver the first speech on the B/R (*authorship speech*), regardless of other priority considerations. If the author is not present, a legislator from the author’s school who does not have a B/R of his own may claim this privilege when the calendar is established.

(b) If no author (or substitute) is in the chamber, or if the B/R is marked as “unsponsored” or “supplemental,” the PO shall select a sponsor from the chamber at large to deliver the first speech. However, if the Presiding Officer was the intended sponsor, she may, at her option, entertain a motion to lay the B/R on the table or to postpone it until the start of a later session.

(c) If no one wishes to sponsor the B/R, the chamber should lay the item on the table until a sponsor is available. If the chamber exhausts the rest of its agenda and there is still no sponsor, the B/R may be taken from the table and the previous question ordered with no speeches given.

§ 8 Priority System for Speakers

(a) The PO **must** recognize all speakers, except for authorship speeches, as follows:

(1) **Number of speeches (precedence).** The PO must recognize a legislator who has not yet spoken. If all those standing have spoken, the PO selects the one who has given the fewest speeches on the day.

(2) **Recency.** If there is a tie for fewest speeches, the PO recognizes the legislator whose *most recent* speech was given *earliest* in the day.

(3) **Priority list.** If multiple legislators rise who have not yet spoken, the PO selects according to the randomized priority list provided to her by the Parliamentarian.

(4) **PO’s discretion.** If multiple legislators rise who have not yet spoken and no priority list has been provided, she may select at her discretion, but she **must not** consider questions, motions, “standing time,” or school affiliation in her decision.

(b) Only speeches (on legislation and amendments) and presiding count against priority. A speech is recorded the moment it begins, even if the speaker is later ruled **out of order** and gavelled down. The Presiding Officer records her service as the *first speech* of the session. Questions, motions, and speeches on motions (except amendments to B/R) are not recorded.

(c) Priority accrues over the entire day and **MAY NOT** be reset to zero. (This is a 2022 NCFL rule.)

(d) An error in recognition may be challenged on an **immediate** point of order (made before the speech begins) by the person entitled to the speech, stating the accurate precedence and recency. In making future selections, the PO **may not** ignore priority to compensate for an error.

(e) The PO is responsible for keeping accurate priority records for herself and any successors. She **must not** pre-plan speaker selections because new people may rise each time.

§ 9 Questioning Periods (Cross-Examination)

- (a) Questioning periods are **2 minutes** in length following a sponsorship speech and the first negative speaking opportunity. Questioning periods are **1 minute** in length following all other speeches. The chamber **may not** suspend the rules to extend questioning, to alter or abolish regular questioning periods, or to adopt “direct questioning.”
- (b) The PO shall recognize all questioners unless the chamber suspends the rules to permit speakers to do so themselves. The PO always has the power to cut off a questioner or speaker and to select a new questioner, or to direct the speaker to do so. There is no formal priority system for questioners (and the PO **may not** attempt to create or enforce one), but no one should be permitted to monopolize the floor.
- (c) Questioners shall rise (or raise their hands) to seek recognition. Upon being recognized, the questioner shall ask a *one sentence* question (there is no “permission to preface”) and take his seat. The speaker gives a *brief* response (but **must not** be limited to a simple “yes” or “no”), and the next questioner is recognized. Clarifications are permitted at the PO’s discretion. The speaker may refuse to answer a question offered in bad faith.
- (d) Personal attacks, repetitive questions (“asked and answered”), irrelevant questions, serial questions, cross-debate (speaker demanding a response from the questioner) and requests to engage in prohibited conduct **must** be gavelled down and ruled **out of order**. Additionally, the PO **must** cut off excessive commentary or oration by the questioner or the speaker.
- (e) At the end of the questioning period, the PO should rise and gesture for any standing legislators to take their seats. Upon the completion of a brief final response, the PO should tap her gavel to signal the end of the questioning period. If there is a lack of questioners with time remaining, the PO should rise and end the questioning period early.

§ 10 Consideration of Parliamentary Motions

- (a) Parliamentary procedure is essential to Student Congress. However, time spent considering motions might otherwise be used for substantive debate, so procedure **must not** be used simply to demonstrate one’s knowledge (or others’ lack thereof). *Parliamentary games and other abuses will be penalized by the officials.*
- (b) The Presiding Officer shall rule **out of order** all motions she considers dilatory (intended to waste time) or frivolous (without serious purpose). The PO **may not** reject an appeal or a call for a division (checks on her power), but the Parliamentarian may act to prevent abuse of these motions.
- (c) Legislation whose author (or same-school substitute) is willing and able to speak is entitled to a sponsorship speech and a first negative speaking opportunity before it is voted on or set aside. Otherwise, there are no speech or cycle requirements.
- (d) The order of precedence is reflected in the Table of Parliamentary Motions. The chamber disposes of one motion at a time, from highest to lowest precedence. The particular rules governing each motion appear in § 11 of this manual or in *Robert’s Rules of Order, Newly Revised*.

This is the general process for considering motions:

(1) Recognition. A legislator may rise (or raise his hand) for a motion at any time when the floor is not claimed by a speaker.³ (The PO **should not** call for motions after speeches; it is legislators' responsibility to seek the floor.) If necessary, the legislator may speak out ("*Madam/Mr./Mx. Speaker (President)!*" or "*Motion!*") to attract the PO's attention.

(2) Statement of the motion. The PO recognizes the speaker and asks him to what point he rises. The legislator then states the motion, and the PO determines whether the motion is in order.

(3) Second. If necessary, the PO will call for a second; another legislator must then indicate support for the motion ("*Second!*") for the motion to be in order. This is intended to prevent a single rogue legislator from derailing the chamber. (By rule, legislation on the calendar is considered moved and seconded.)

(4) Debate and amendment. Debatable motions may be discussed pro and con if necessary. Except for amendments to B/R, remarks on motions are delivered from members' desks, should not exceed 30 seconds, are not scored, and do not count against priority. No legislator should be allowed to monopolize the floor. Amendable motions may be amended with a motion, second, and majority vote.

(5) Vote or decision. Once debate (if any) is exhausted or closed, the appropriate vote is taken. Certain incidental and privileged motions are decided by the Chair without a vote.

§ 11 Ordinary Motions in Student Congress

NOTE: These are the motions most likely to be used in Student Congress. In general, Presiding Officers are expected to be able to dispose of these motions without extensive review of the rules.

PRIVILEGED MOTIONS

(a) Adjourn. A motion to adjourn ends the session and dismisses the chamber until the time specified. By rule, the motion does not affect tabled items if the chamber will reassemble later. It is **not** necessary to "reopen the floor" upon returning from an adjournment. At the end of the last session, it is appropriate to adjourn *sine die*,⁴ which dissolves the chamber, defeating items not put to a vote.

(b) Recess. A motion to recess allows the chamber to suspend business for a specified period without ending the session. It is **not** necessary to "reopen the floor" upon returning from a recess. Recesses count against session time and are *strongly discouraged* in sessions shorter than 2 hours.

(c) Point of personal privilege. This motion allows a legislator to make a personal request during debate (usually to exit or enter the chamber or to approach the Chair with an amendment). It **may not** be used to address or inquire of the chamber.

(d) Call for the orders of the day. This motion compels the chamber to take up scheduled business (so-called general or special orders, established either by rule or by certain motions). It is only required if the PO does not take up the business at the scheduled time. All other business is suspended while the chamber considers the orders of the day.

³ *Exception:* A motion that permits interruption may be made at any time, even during a speech. However, interrupting a speech or vote is **strongly discouraged** unless there is an emergency or a breach of the rules requiring immediate action.

⁴ Latin for "without day," as in "without specifying a day to reassemble." It's pronounced *SIGH-nee-DIE-ee*, following the 19th century conventions of Law Latin.

INCIDENTAL MOTIONS

- (e) **Division of the chamber.** Used to verify a voice vote. See § 13(f).
- (f) **Suspend the rules.** Suspensions of the rules are permitted *only* for matters either authorized by this manual or not contemplated by the FGCCFL and NCFL rules. A motion to suspend the rules must specify a limited purpose, e.g., allowing speakers to recognize their own questioners. It requires a second and a two-thirds vote of the members *present*; it expires when the chamber adjourns.
- (g) **Point of order.** A legislator may rise to a point of order to correct a procedural error that affects the interests of members. The motion must be made *immediately* following the error, i.e., before the next speech or vote. The legislator may interrupt the PO (“*Point of order!*”) if necessary. When asked to state his point, the legislator states what the ruling should have been (citing any relevant rules), then takes his seat. The PO determines if the point is “*well taken*” (valid) and either takes corrective action or explains the basis for her ruling.

A *point of order* may be used to inquire of the PO; this is also known as a *parliamentary inquiry*. However, inquiries about time remaining, speaker priority, or any other matter that legislators should be tracking themselves shall be considered dilatory.

- (h) **Appeal.** If a point of order is not resolved to legislators’ satisfaction, they may appeal the PO’s ruling to the full chamber. A motion to appeal (phrased “*I appeal the decision of the Chair.*”) must be made *immediately*, interrupting the PO (“*Madam/Mr./Mx. Speaker (President)!*”) if necessary. It requires a second and is not debatable, though the moving legislator and the PO may *briefly* state the basis for reversing or affirming the ruling, respectively.

This motion has an unusual voting procedure: The PO takes a recorded vote on the question “*Shall the decision of the Chair stand?*” Those voting to *sustain* the PO are counted first, followed by those voting to *overrule* her. The PO may not vote, but a tie vote sustains the PO’s decision. Once the results of the appeal have been announced, the matter is no longer subject to discussion.

SUBSIDIARY MOTIONS

- (i) **Lay a B/R on the table.** The motion to lay the item under discussion on the table (colloquially, to “*table the B/R*”) sets the legislation aside *with the intent of returning to it after considering other business*. It requires a second and a simple majority. Legislation **may** be laid on the table in one session and taken up again in a later session. Debate time, if it has been limited, is paused while a B/R is tabled.
- (j) **Take a B/R from the table.** When no other B/R is on the floor, a motion to take a tabled B/R from the table (colloquially, to “*untable the B/R*”) and resume consideration is in order. The motion requires a second and a simple majority; if the motion passes, debate on the B/R continues where it left off, and debate time, if it was previously limited, continues to run.

(k) The previous question (close debate). The *previous question* is a motion to close debate and vote immediately on the item being considered. The proper phrasing is “*I move the previous question,*”⁵ and POs should accept no other phrasing as valid. This motion requires a second and a two-thirds vote of those *present*.

Legislators should not overuse this motion, but neither should they neglect it. When debate grows stale or one-sided, it is usually in the chamber’s best interest to close debate and move on to a fresh topic. (Your judges will thank you.)

(l) Limit (or extend the limits of) debate. This motion allows debate on a B/R to be limited to a fixed period of time or a set number of speeches. Because it affects freedom of debate, it requires a second and a two-thirds vote of those *present*. It is not debatable, but it is amendable as to time. This motion **MAY NOT** be used to extend a debate time limit established by rule.

(m) Postpone to a specific time. This motion allows the chamber to set a B/R aside until a specified time, such as postponing the PO’s bill to the start of a later session. This is a majority question and requires a second. Once the specified time has come and no B/R is on the floor, debate on the postponed item (a general order) continues where it left off.

§ 12 Amending Process for Legislation

(a) An amendment **must** be germane to the legislation and **must not** alter its intent. The amendment is written as a single imperative sentence directing **one** of these:

- (1) Strike out** one or more occurrences of a word/phrase/passage
- (2) Insert** one or more occurrences of a word/phrase/passage
- (3) Substitute** new material for part or all of the existing text

An amendment to legislation may be amended using the same format, but an amendment *to an amendment* **may not** be amended further.

(b) The amendment must be written out and submitted to the Parliamentarian (via the Presiding Officer) for review before the motion to amend can be in order. The author **may** rise to a point of personal privilege to approach the Chair with an amendment.

(c) While the B/R to be amended is on the floor, the author of the amendment should seek recognition for a motion and move to amend the legislation. The PO will ensure that the amendment is satisfactory, read it to the chamber, and call for a second by recorded vote. One-third of the members *present* must second the amendment for it to be in order.

(d) If the amendment receives the required second, it may be debated. However, the chamber **may** instead move the *previous question* immediately and vote on the amendment without debate. Debate, if any, begins with a regular affirmative speech, assigned according to the usual rules of priority. The author of the amendment is **not** automatically entitled to the speech.

⁵ It’s not “motion for previous question” or “move to previous question,” and it’s **especially** not “motion to move the previous question.” This whole thing probably made a lot of sense in 1604, when the motion was introduced in the House of Commons. It might have made sense in 1789, when it was adopted by the House of Representatives. It might even have made some sense in 1876, when Henry Martyn Robert included it in his *Rules of Order*, though he questioned whether it should just be a “motion to close debate.” Please, just go with it.

(e) Speeches on amendments alternate pro and con, are given from the rostrum, are 3 minutes in duration with a 1 minute questioning period, are scored, and are subject to the priority rules. However, debate is limited to the amendment and its effect on the legislation; speeches on the merits of the underlying legislation are **out of order** while the amendment is on the floor.

(f) When debate on the amendment has been exhausted or closed, a recorded vote is taken on the adoption of the amendment. An amendment requires a simple majority. Debate on the legislation (or the legislation *as amended*) then resumes where it left off.

§ 13 Voting Procedures

(a) A vote must be taken on all questions requiring a vote, even if the outcome appears obvious. The PO **must not** simply call for objections or “assume unanimous consent.”

(b) A recorded vote (standing or show of hands) is required for all passage votes on legislation and amendments thereto, all appeals, and any question requiring a vote other than a simple majority. Voice votes may be taken on other questions, but the PO should consider taking a recorded vote on any question whose outcome is in doubt.

(c) Before all votes, the PO shall state the question and the vote needed for passage.

(d) **Recorded votes requiring a simple majority.** The PO calls for legislators in favor to rise (or raise their hands) and counts the votes; she then calls for those opposed to do likewise. *The PO should never call for abstentions.* (Legislators are not required to vote, and there is no quorum rule; however, failure to participate in the session may be taken into account by the officials in making their nominations.) If there are more legislators in favor than opposed, the motion passes; otherwise, it fails. A tie vote defeats the question.⁶ The result is announced: “By a vote of ___ in favor to ___ opposed, the motion/bill/resolution/amendment is adopted/defeated.”

(e) **Recorded votes requiring a fraction of members present ($\frac{2}{3}$, $\frac{1}{3}$, or $\frac{1}{5}$).** The PO calls for legislators in favor to rise (or raise their hands) and counts the votes; she then determines the total number of legislators present in the chamber, excluding herself. If the required fraction of this number has voted in favor of the question, it passes; otherwise, it fails. The result is announced: “By a vote of ___ in favor out of ___ present, the motion is adopted/defeated.”

(f) **Voice votes.** The PO calls for legislators in favor to say “aye,” then for those in opposition to say “no.” She then uses good judgment to determine which side has prevailed and announces the results: “In the opinion of the Chair, the ayes/noes have it, and the motion is adopted/defeated.” If the PO is unable to determine the outcome, she may take a recorded vote on her own motion.

If members disagree with the Chair’s ruling on a voice vote, they may call for a *division of the chamber* (“Division!”) **immediately** after the vote. A second is required (this is an NCFL rule). If a division is called for and seconded, the PO **must** take a recorded vote on the disputed question.

(g) **Roll call votes.** A roll call vote may be demanded by one-fifth of the members *present*. **This is strongly discouraged unless there have been repeated irregularities in a recorded vote.** The PO calls the roll from her seating chart, and each member responds by saying **only** “aye” or “no.”

⁶ **Tiebreaking:** The PO may vote if her vote will affect the outcome—either an “aye” vote to break a tie or a “no” vote to create one. In either instance, the PO must announce her vote before stating the result.

Legislation

§ 14 Subject Matter

- (a) **Threshold requirements.** All legislation **MUST** constitute a valid legislative response to a timely and significant issue of national interest. Legislation must propose a change from the status quo, offer a reasonable division of affirmative and negative ground, and be understood by an informed audience.
- (b) A resolution that simply calls for “reform,” “improvement,” “modification,” or the like without identifying a specific change to the status quo **does not** satisfy the threshold requirement. A bill that allocates funds without specifying a valid policy objective **does not** satisfy the threshold requirement.
- (c) Legislation that addresses frequently debated topics must be *especially* timely, significant, and/or novel, such that debate will necessarily focus on the particulars of the legislation and not the general issue. A list of suspect topics appears near the end of this manual.
- (d) Legislation that does not meet the above criteria or that is poorly written, inadequately researched, biased or prejudiced, vulgar or profane, or otherwise unsuitable for interscholastic debate **shall not** be considered at any FGCCFL tournament. Where possible, the League shall ask coaches to have unacceptable legislation rewritten.
- (e) Legislation that has been placed on the docket at an FGCCFL tournament (or that is strikingly similar to such legislation) **shall not** be entitled to consideration at any subsequent FGCCFL tournament but **may** be placed on the docket at the Tournament Coordinator’s discretion. A resolution rewritten as a bill (or vice versa) is a new item and may be considered.

§ 15 Template and Format Requirements

- (a) FGCCFL requires the use of the templates provided on the FGCCFL website. Other templates (including NCFL and NSDA) are NOT authorized. The templates may be edited in any application, but the finished product must be saved in Microsoft Word format. Legislation that is not submitted in the approved template, used as directed, **shall not** be considered at any FGCCFL tournament.
- (b) The templates **are not** “examples” to be replicated in a blank document. They have been designed to enable legislators to focus on the content rather than formatting. Simply open the template in a word processor, edit, and save. The highlighted guide text will help explain what is required and where it should go. Text that is not highlighted **should not** be changed without good cause.
- (c) Legislation must include a descriptive title, i.e., a title that would allow a casual observer to understand the intent of the legislation, and a “Respectfully submitted” closing block or line with the name of the author and school. The maximum length of an item of legislation is one side of a U.S. letter-size page **without** any changes to the template’s margins, spacing, or formatting.

§ 16 Content Guidance for Bills

- (a) **Overview.** A bill proposes a change in public policy and specifies how the federal government will implement the change. If enacted, bills carry the force of law. Bills do not explain *why* a course of action is desirable; rather, their focus is *how* the policy will be carried out.
- (b) Bills are to be written in the five-section format set forth in the template. No sections may be added or removed, but Sections 2 and 3 may be divided into subsections (A, B, etc.) as necessary.

- (c) **Section 1** states the change to be made or action to be taken in one sentence, or as briefly as possible. Provisions may not be incorporated by reference unless explained elsewhere in the bill. *It should be possible to understand the bill's intent from this section alone.*
- (d) **Section 2** clarifies terminology **actually used elsewhere in the bill** through definitions and through other provisions not related to the means of enforcement. Only essential provisions should be included; words and phrases used for their plain meaning or otherwise defined in relevant law need not be defined in the bill. **Remember:** Definitions in a bill are *prescriptive* (what X shall mean), not *descriptive* (what others say X means).
- (e) **Section 3** identifies the enforcing agency or agencies and provides a means of enforcement (penalties, funding, resolution of jurisdictional issues, etc.). **Both are required for the bill to have force.** Enforcing agencies **must** be federal agencies, almost always in the Executive Branch and usually at the Cabinet level.⁷ The Congress is **not** a proper enforcing agency.
- (f) Legislation addressing traditional state or local matters **must** resolve jurisdictional concerns. Some means of exercising federal authority must be specified in the bill; the legitimacy and feasibility of those means are issues that may be raised in floor debate.
- (g) **Section 4** establishes when the bill takes effect: immediately upon passage, a period of time (e.g., 90 days after passage), or a date certain (e.g., on January 1, 2025). **These are the only permissible formats for an effective date, and nothing else should appear in this section.**
- (h) **Section 5** declares that all laws in conflict with the bill are null and void, which is intended to prioritize the bill over current law. **This section's text must not be changed.**

§ 17 Content Guidance for Resolutions

- (a) **Overview.** A resolution expresses a conviction or makes a suggestion about a current issue. Resolutions do not carry the force of law; rather, passage means that the Congress endorses the position stated. In contrast to bills, resolutions explain *why* a position deserves official support, but not *how* the proposal shall be implemented.
- (b) All resolutions must be written in the simple resolution format incorporated in the FGCCFL template. This format consists of a series of one-sentence "*whereas*" clauses that state a basis for the resolution, followed by one or more one-sentence *resolving clauses* that state the proposal.
- (c) To be debatable, a resolution **must** state a specific suggestion and **may not** simply call for "reform," "improvement," "modification," etc. (Calling for repeal or reversal of an existing law or policy will generally be sufficient.) Moreover, a resolution may not simply call for passage of a particular bill, although it may call for adoption of the bill's policies (set forth in the resolving clauses).

⁷ *Note:* Independent agencies such as the Social Security Administration or specific legislative branch entities such as the Government Accountability Office may sometimes be appropriate enforcing bodies.

Additionally, if the bill confers a private right of action (allowing **private parties**, as opposed to a federal agency, to sue in federal court), the entirety of Section 3.A may be replaced by a declaration that "The federal courts shall have jurisdiction over all cases arising under the provisions of this bill." (This is one of the few occasions when the standard text may be changed.)

(d) Because resolutions do not carry the force of law, they may be directed toward federal, state, local, foreign, corporate, or other entities' conduct. The propriety of addressing a particular party is a legitimate issue to be raised in floor debate.

(e) **Constitutional amendments.** Because constitutional amendments do not carry the force of law unless ratified by the states, they are treated as resolutions. FGCCFL provides a special version of the simple resolution template for constitutional amendments which incorporates standard amendment language and formatting. In general, legislators need only add the text of their amendment to Section 1 (adding other sections if necessary); they may optionally change the ratification method from legislatures to conventions and/or modify or remove the seven-year ratification window. *Adoption of a constitutional amendment requires a two-thirds vote.*

Tournament Operations

§ 18 Submission and Review of Legislation

(a) Schools **must** submit at least one item of legislation to enter students in Congress.⁸ All Congress entries are waitlisted in Tabroom until an item of legislation is submitted from the school. Schools may submit up to six items, but not more than one item per student. ***All legislation must be personally reviewed by coaches and submitted via Tabroom.***

(b) **Optional advance review.** Legislation may be emailed to the Congress Coordinator before noon on the **Monday before tournament week** (11 days before the tournament). Legislation must be written using the FGCCFL template in the manner directed in § 15 of this manual, saved in Microsoft Word (.docx) format, and sent as an attachment (**not** as a link to cloud storage). **This does not submit the legislation for the tournament; this is ONLY for review.** The submitting coach will receive an reply within 48 hours detailing necessary repairs and suggested revisions.

(c) **Final submission.** To be considered for the tournament, legislation must be uploaded to Tabroom no later than 9:00 PM on the **Thursday before tournament week** (9 days before the tournament). Legislation must be written using the FGCCFL template in the manner directed in § 15 of this manual and saved in Microsoft Word (.docx) format, one item per document. **Legislation that does not satisfy these requirements will receive no further consideration.**

(d) **Standard of review.** Legislation will be reviewed to ensure that it meets the requirements of §§ 14-17 of this manual. This includes appropriate subject matter, proper use of the template, and the inclusion of all required elements of a bill or resolution. Legislation that does not meet these requirements **will not** be placed on the docket.

Legislation will not be excluded *solely* because it is unconstitutional, unworkable, or ill-advised. These are legitimate issues to be addressed in floor debate. *The inclusion of an item on the docket does not constitute a "clean bill of health" from the Congress Coordinator!*

⁸ The Congress Coordinator may waive this requirement for early tournaments and on a case-by-case basis where schools have been unable to submit legislation despite demonstrated efforts to do so.

(e) The Congress Coordinator shall compile a docket of 8 or more items from the approved legislation. Supplemental items, if required, shall be placed last on the calendar. The docket will be published on Tabroom and/or the FGCCFL site by **9:00 PM on the Friday before tournament week** (8 days before the tournament), or as soon as practicable. Legislation text may be subject to technical corrections, and titles may be edited.

§ 19 Chamber Assignments and Calendars

(a) The number of chambers will be determined based upon the number of legislators registered at the close of registration. The preferred chamber size is 15-18 legislators. Chambers are given a letter or number designation and may choose to operate as Houses or Senates.

(b) The Congress Coordinator will assign legislators to chambers; requests from coaches **will not** be entertained. Initial assignments are made using Tabroom's sectioning algorithm; legislators are then swapped (anonymously) between chambers until delegations and agendas are balanced. At large tournaments, delegations may be excluded from some chambers to facilitate judge assignment.

(c) The Congress Coordinator will generate seating charts for each chamber to facilitate priority tracking. Special seating requests will only be entertained if the coach has made an accessibility note for the student in the school's Tabroom registration.

(d) The calendar shall be finalized by the chamber during Preliminary Business. Every school with legislation on the docket shall be entitled to present one B/R before any school presents a second item. Supplemental items shall be considered last.

(e) Chamber assignments and seating charts shall be published on Tabroom and/or the FGCCFL site 24 hours after the close of registration, or as soon as practicable.

§ 20 Session Procedures

(a) Each chamber shall convene for Preliminary Business before the start of Session 1. Attendance shall be taken, and the Parliamentarian shall lead the chamber in finalizing its calendar and electing its PO. The calendar order shall be sent to the Tab Room before floor debate may begin.

(b) Each chamber shall convene for four sessions, each of which shall consist of 90 minutes to be used for the PO election, floor debate, and special orders. Recesses should be considered dilatory in the absence of extenuating circumstances.

(c) At the end of Session 4, or when the chamber has voted on all B/R, whichever comes first, the chamber shall vote for its Best Presiding Officer as provided herein, then adjourn *sine die*.

§ 21 Scoring and Tabulation

(a) Each chamber shall have one Scorer per session, who shall evaluate all speeches and the Presiding Officer. Each chamber shall additionally be assigned a Parliamentarian, who will critique both Presiding Officers and advise the chamber on matters of procedure. The Parliamentarian generally will not intervene in procedural matters, but they should do so at the PO's request or if a major error has been made that adversely affects the session. Rulings made in the chamber **will not** be overturned by the Tournament Coordinator unless clearly erroneous.

- (b) Scorers will score each speech on a scale from 1 (very poor) to 6 (outstanding) and shall score the Presiding Officer on the same scale. These scores will be sent to NSDA for recording as merit points. However, speaker/PO points are not a factor in determining Outstanding Legislators.
- (c) At the end of the session, each Scorer will select and rank the eight (8) legislators they believe contributed the most to the session. At the end of the day, the Parliamentarian will rank **all** the legislators in the chamber. These are to be holistic assessments, and Scorers will be advised that they should not simply nominate the students who earned the most points. The Presiding Officer **is eligible** for selection, and officials will be admonished to consider her. Officials may rank students from their school in any position. Students not ranked by a Scorer will be assigned a rank of 9.
- (d) Finishing order will be determined by low total ranks (with the Parliamentarian's ranks capped at 9), then judge preference, then high total reciprocals, then low total ranks with the best and worst rank excluded, then the Parliamentarian's preference. The first, second, and third place speakers in each chamber shall receive trophies.
- (e) The chamber shall vote for Best Presiding Officer by preferential ranks. The winner shall be determined by instant runoff, with ties broken by the Parliamentarian's preference. All Presiding Officers shall receive medals, and the Best Presiding Officer shall additionally receive a gavel.

A Resolution to Abolish the Debt Ceiling

1 **WHEREAS,** The United States is the only developed nation that imposes an arbitrary
2 borrowing limit on itself; and

3 **WHEREAS,** The nature of the debt ceiling makes it possible for one faction in the Congress to
4 hold the rest of the government hostage; and

5 **WHEREAS,** The debt ceiling conflicts with federal spending bills, creating the potential for
6 recurring crises; and

7 **WHEREAS,** The absence of a debt ceiling would not result in a debt crisis, as is obvious from
8 the low yields on U.S. Treasury securities; now, therefore, be it

9 **RESOLVED,** That the Student Congress here assembled calls for the federal debt ceiling to be
10 abolished; and be it

11 **FURTHER RESOLVED,** that any borrowing necessary to execute spending legislation adopted
12 by the Congress be deemed authorized upon passage of such legislation.

Respectfully submitted,

*Sandy Grenner

A Resolution to Propose a Constitutional Amendment to Protect the Right to Vote

1 **WHEREAS,** It is axiomatic that a republican form of government demands zealous protection
2 of the people's right to choose who exercises power on their behalf; and

3 **WHEREAS,** The right to vote, while presumed by the Constitution, is not explicitly protected
4 except with respect to race, sex, and age; and

5 **WHEREAS,** Public officials have imposed arbitrary and often discriminatory restrictions on
6 the right to vote; now, therefore, be it

7 **RESOLVED,** By two-thirds of the Congress here assembled, that the following article is
8 proposed as an amendment to the Constitution of the United States, which shall be
9 valid to all intents and purposes as part of the Constitution when ratified by
10 conventions in three-fourths of the several states within seven years from the date
11 of its submission by the Congress:

12 **ARTICLE --.**

13 **SECTION 1:** The right of citizens of the United States, who are eighteen years
14 of age or older, to vote shall not be denied or abridged by the
